TAKEN BY SURPRISE

This corona pandemic has taken us by surprise. In a world where we thought to have everything in control, we have experienced how vulnerable we are. It brought us back to a reality that we are all mortal, and one day or another, we have to leave this planet and travel to a destination we can not find any information about, except in what God explained to us in the Bible. God also explains to us the way how the blood of His Son can save us; our life can change for eternity and opening the way to heaven. This message can save more people than we are trying to save from the coronavirus.

Indeed there are at the moment other religious TV and Radio stations in Kenya busy to scare the people with all kinds of nonbiblical stories. Instead of convincing God's children to trust in Him, they want them to show their faith by giving to the church, and God will protect them.

You do not have to pay a penny to God for His protection. You have to change your life and to stop with all kinds of religious bribery and believe in His Son Jesus. God does not need our money he need us because the rest belongs to Him already.

Here is what God said to Salomon, and it sounds very familiar with what is happening these days:

2 Chronicles 7:2-15

One night the Lord appeared to Salomon and told him, "I have heard your prayer and have chosen this Temple as the place where I want you to sacrifice to me.

13 If I shut up the heavens so that there is no rain, or if I command the locust swarms to eat up all of your crops, or if I send an epidemic among you.

14 Then if my people will humble themselves and pray, and search for me, and turn from their wicked ways, I will hear them from heaven and forgive their sins and heal their land.

15 I will listen, wide awake, to every prayer made in this place.

We are going to difficult times, that's for sure, but it will pass.

God can use this period in our lives to meditate over the way forward and take time to seek Him and get closer to Him than ever before.

Jesus Loves you!

We have no time to lose. In Meru, we can reach 2.4 million people more for the gospel. We know we are living in difficult financial times. Media has difficulties keeping up, but we believe that together with our partners, we have to keep Jesus on the airwaves. As you read this, Meru can listen to Family Radio 316.

Nyeri, we never had a chance to be in this part of Kenya because commercial media was more financially able to get the licenses. Now we got a chance, and we took it, trusting our great partners to back us. "God cannot be bribed". But he commanded us to spread the gospel to every generation. Nyeri, we are ready to connect you. Here we are 24/7 familyradio!

Don't worry about anything; instead, pray about everything; tell God your needs, and don't forget to thank him for his answers. If you do this, you will experience God's peace, which is far more wonderful than the human mind can understand. His peace will keep your thoughts and your hearts quiet and at rest as you trust in Christ Jesus.
